

**BioMedical Admissions Test**

**4500/13**

**Wednesday 31 October 2018**

**30 minutes**

**SECTION 3**

**Writing Task**

**INSTRUCTIONS TO CANDIDATES**

**Please read this page carefully, but do not open the question paper until you are told that you may do so.**

This paper is Section 3 of 3. A separate answer sheet is provided for this section. Please check you have one. You must complete the answer sheet in **black pen**.

Please complete the answer sheet with your:

- Name
- BMAT candidate number
- Centre number
- Initials

This question paper contains a choice of three tasks, of which you must complete only **one**. There is space on the question paper for preliminary notes. **Your answer must be written on the answer sheet provided and in English.** No additional answer sheets may be used. **Candidates with permission to use a word processor must not exceed 550 words.**

The tasks each provide an opportunity for you to show how well you can select, develop and organise ideas and communicate them effectively in writing.

Before you begin writing, take time to think carefully about what you need to say and the ways in which the organisation and layout of your response might help convey your message. Diagrams etc. may be used if they enhance communication.

Take care to show how well you can write and be concise, clear and accurate.

You can use the question paper for rough working or notes, but **no extra paper** is allowed.

Remember that when you are told that you may begin you will have only 30 minutes to choose and complete your task, and that your complete response must be contained on the single page provided for your answer. You **must** complete the answer sheet within the time limit. The disciplines involved in this are regarded as key features of the task.

Dictionaries and calculators may NOT be used.

**Please wait to be told you may begin before turning this page.**

*This paper consists of 3 printed pages and 1 blank page.*

PV2

Use this space and the back page for notes etc. if you wish. Remember that your response must be written on the single page answer sheet provided.

**YOU MUST COMPLETE ONLY ONE OF THE FOLLOWING TASKS**

Please indicate which task (1, 2 or 3) you have chosen in the 'Task Chosen' box on the answer sheet.

Each of the tasks consists of a statement in bold followed by three prompts. It is important that you address all three parts of your chosen task.

**1 'Liberty consists in doing what one desires.' (John Stuart Mill)**

Explain the reasoning behind the statement. Present a counter-argument. To what extent do you agree that freedom is doing what you want?

**2 Rosalind Franklin said that science gives only a partial explanation of life.**

Explain what you understand is meant by her statement. Argue to the contrary that science can give a complete explanation of life. To what extent do you agree with Franklin's statement?

**3 In the age of modern healthcare, every time a patient dies after a routine operation or procedure, it's a case of medical error.**

Explain the reasoning behind this statement. Argue that there can be reasons other than medical error behind such deaths. To what extent do you agree with the statement?
